Benefits Guide

March 1, 2026 - February 28, 2027

Welcome

Your benefits are an important part of your overall compensation. We are pleased to offer a comprehensive array of valuable benefits to protect your health, family and way of life. This guide answers some of the basic questions you may have about your benefits. Please read it carefully, along with any supplemental materials you receive.

Eligibility

You are eligible for benefits if you work 30 or more hours per week. You may also enroll your eligible family members under certain plans you choose for yourself. Eligible family members include:

- ▶ Your legally married spouse
- ▶ Your biological children, stepchildren, adopted children or children for whom you have legal custody (age restrictions may apply). Disabled children age 26 or older who meet certain criteria may continue on your health coverage.

When Coverage Begins

- ▶ **New Hires:** You must complete the enrollment process within 60 days of your date of hire. If you enroll on time, coverage is effective on the first of the month following 60 days of hire.

If you fail to enroll on time, you will **NOT** have benefits coverage (except for company-paid benefits) until you enroll during our next annual Open Enrollment period.
- ▶ **Open Enrollment:** Changes made during Open Enrollment are effective March 1, 2026 - February 28, 2027.

Choose Carefully!

Due to IRS regulations, you cannot change your elections until the next annual Open Enrollment period, unless you have a qualifying life event during the year. Following are examples of the most common qualifying life events:

- ▶ Marriage or divorce
- ▶ Birth or adoption of a child
- ▶ Child reaching the maximum age limit
- ▶ Death of a spouse or child
- ▶ You lose coverage under your spouse's plan
- ▶ You gain access to state coverage under Medicaid or The Children's Health Insurance Program

Making Changes

To change your benefit elections, you must contact Human Resources within 31 days of the qualifying life event. Be prepared to show documentation of the event, such as a marriage license, birth certificate or a divorce decree. If changes are not submitted on time, you must wait until the next Open Enrollment period to change your elections.

Required Information—You will be required to enter a Social Security number (SSN) for all covered dependents when you enroll. The Affordable Care Act (ACA) requires the company to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.

Medical

We are proud to offer you a choice of medical plans that provide comprehensive medical and prescription drug coverage. The plans also offer many resources and tools to help you maintain a healthy lifestyle. Following is a brief description of each plan.

Blue Cross Blue Shield of LA PPO

This plan gives you the freedom to seek care from any provider of your choice. However, you will maximize your benefits and lower your out-of-pocket costs if you choose a provider who participates in the network.

- ▶ The plan pays the full cost of qualified in-network preventive health care services.
- ▶ You pay the full cost of non-preventive health care services until you meet the **annual deductible**. You may also have to pay a fixed dollar amount (**copay**) for certain services.
- ▶ Once you meet the deductible, you pay a percentage of certain health care expenses (**coinsurance**) and the plan pays the rest.
- ▶ Once your deductible, copays and coinsurance add up to the **out-of-pocket maximum**, the plan pays the full cost of all qualified health care services for the rest of the year.

Blue Cross Blue Shield of LA HDHP HSA

The High-Deductible Health Plan (HDHP) works similarly to a traditional PPO:

- ▶ You may see any health care provider and still receive coverage, but will maximize your benefits and lower your out-of-pocket costs if you see an in-network provider.
- ▶ The plan pays the full cost of qualified in-network preventive health care services.
- ▶ You pay the full cost of non-preventive health care services until you meet the annual deductible. **NOTE: If you enroll one or more family members, you must meet the full FAMILY deductible before the plan starts to pay expenses for any one individual.**
- ▶ Once you meet the deductible, you pay a percentage of your health care expenses (**coinsurance**) and the plan pays the rest.
- ▶ Once your deductible and coinsurance add up to the out-of-pocket maximum, the plan pays the full cost of all qualified health care services for the rest of the year. **NOTE: If you enroll one or more family members, you must meet the full FAMILY out-of-pocket maximum before the plan starts to pay covered services at 100% for any one individual.**

Health Savings Account

The HDHP comes with a type of savings account called a health savings account (HSA). The HSA lets you set aside pre-tax dollars to help offset your annual deductible and pay for qualified health care expenses.

Here's how the HSA works:

- ▶ You contribute pre-tax funds to the HSA through automatic payroll deductions.
- ▶ In addition, we will contribute to your HSA; company contribution amounts can be found on the medical overview grid.
- ▶ Your contributions, in addition to the company's contributions, may not exceed the annual IRS limits listed below.

HSA Contribution Limit	2026
Employee Only	\$4,400
Family (employee + 1 or more)	\$8,750
Catch-up (age 55+)	\$1,000

- ▶ You can withdraw HSA funds, tax free, to pay for qualified health care expenses now or in the future. Unused funds roll over from year to year and are yours to keep, even if you change medical plans or leave your employer.

Important Notes:

- ▶ You must meet certain eligibility requirements to have an HSA: You must a) be at least 18 years old, b) be covered under a qualified HDHP, c) not be enrolled in Medicare and d) cannot be claimed as a dependent on another person's tax return. For more information, visit www.irs.gov/forms-pubs/about-publication-969.
- ▶ For a complete list of qualified health care expenses, visit www.irs.gov/forms-pubs/about-publication-502.
- ▶ Adult children must be claimed as dependents on your tax return for their medical expenses to qualify for payment or reimbursement from your HSA.

Life and AD&D

Life insurance provides your named beneficiary(ies) with a benefit after your death.

Accidental death and dismemberment (AD&D) insurance provides specified benefits to you in the event of a covered accidental bodily injury that directly causes dismemberment (i.e., the loss of a hand, foot or eye). In the event that your death occurs due to a covered accident, both the life and the AD&D benefit would be payable.

Basic Life/AD&D (Company-paid)

This benefit is provided at **NO COST** to you through New York Life.

Benefit Amount	
Employee	\$25,000

Supplemental Life/AD&D (Employee-paid)

If you determine you need more than the basic coverage, you may purchase additional coverage through New York Life for yourself and your eligible family members.

Benefit Option		Guaranteed Issue ¹
Employee	\$10,000-\$300,000 in \$5,000 increments not to exceed 5 times your annual salary	Lesser of \$200,000 or 5x annual salary

Child(ren)	\$10,000 birth to age 26	\$10,000

1. During your initial eligibility period only, you can receive coverage up to the Guaranteed Issue amounts without having to provide Evidence of Insurability (EOI, or information about your health). Coverage amounts that require EOI will not be effective unless approved by the insurance carrier.
2. Benefit Reduction: Reduces to 50% of original amount of coverage at age 70

Voluntary Benefits

Our benefit plans are here to help you and your family live well—and stay well. But did you know that you can strengthen your coverage even further? It's true! Our voluntary benefits through Guardian are designed to complement your health care coverage and allow you to customize our benefits to you and your family's needs. The best part? Benefits from these plans are paid directly to you! Coverage is also available for your spouse and dependents. You can enroll in these plans during Open Enrollment—they're completely voluntary, which means you are responsible for paying for coverage at affordable group rates.

Accident Insurance

Accident insurance can soften the financial impact of an accidental injury by paying a benefit to you to help cover the unexpected out-of-pocket costs related to treating your injuries. Some accidents, like breaking your leg, may seem straightforward: You visit the doctor, take an X-ray, put on a cast and rest up until you're healed. But in reality, treating a broken leg can cost up to \$7,500¹. And it's not only broken limbs—an average non-fatal injury could cost you \$6,620 in medical bills². When your medical bill arrives, you'll be relieved you have accident insurance on your side.

Critical Illness

Most of us don't have an extra \$7,000 ready to spend—and even if we do, we don't want to spend it on medical expenses. Unfortunately, the average cost to treat a critical illness is just that: \$7,000³. But with critical illness insurance, you'll receive a lump-sum benefit if you are diagnosed with a covered condition. You can use this benefit however you like, including to help pay for: treatments, prescriptions, travel, increased living expenses and more.

Hospital Indemnity Insurance

When you or a dependent need to be hospitalized, your family deserves to focus on their well-being, not the stress of the average three-day hospital stay, which can cost you \$30,000¹. Hospital indemnity insurance can help reduce costs by paying you or a covered dependent a benefit to help cover your deductible, coinsurance and other out-of-pocket costs due to a covered hospitalization.

Cancer Indemnity

Cancer may not feel like a priority you need to worry about right now, but with almost 2 million new cases of cancer occurring in 2021⁴, it can (literally) pay to be prepared. The cancer indemnity plan pays a flat dollar amount to you when a covered person is diagnosed with internal cancer. Other benefits include payments made directly to you for hospital confinement, medical imaging, radiation, chemotherapy, immunotherapy, transportation and lodging. The plan also includes a cancer screening wellness benefit.

Cancer Insurance

Chances are someone you know has been diagnosed with cancer. When those medical emergencies occur, people are suddenly faced with lengthy medical treatment, drastic lifestyle changes, and uncertain futures. At the same time, most people are also not equipped to handle the mountain of medical bills and associated expenses that their medical insurance may not cover. You can prepare for such an occurrence by having a cancer insurance policy that will help cover the costs of you or your families treatment.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	For <u>network providers</u> \$3,000 individual / \$6,000 family / \$6,000 family per person; for <u>out-of-network providers</u> \$6,000 individual or \$12,000 family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your deductible?	Yes. <u>Preventive Care</u> and <u>Wellness</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .

For <u>network providers</u> \$5,000 individual / \$10,000 family / \$7,900 family per person; for <u>out-of-network providers</u> \$10,000 individual / \$20,000 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>Balance Billing</u> Charges, and Health Care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Dental Network Information

To find a provider, visit ameritas.com and select **FIND A PROVIDER**, then **DENTAL**. Enter your criteria to search by location or for a specific dentist or practice. California Residents: When prompted to select your network, choose the Ameritas Network found on your ID Card or contact Customer Connections at 800-487-5553.

Your provider network is Ameritas Classic and Plus Network.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on March 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at ameritas.com/applications/group/estimator.

After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

Worldwide Support

If a member has a dental emergency outside the U.S., AXA Assistance can help. AXA provides credible provider referrals and can even help with making the appointment. Providers referred by AXA are not members of the Ameritas network. AXA contact information is available in the secure member account.

Language Services

We recognize the importance of communicating with our growing number of multilingual customers. That is why we offer a language assistance program that gives you access to: Spanish-speaking claims contact center representatives, telephone interpretation services in a wide range of languages, online dental network provider search in Spanish and a variety of Spanish documents such as enrollment forms, claim forms and certificates of insurance.

This document is a highlight of plan benefits provided by Ameritas Life Insurance Corp. as selected by your employer. Can I get glasses and contacts in the same year?

Medicare Part D Creditable Coverage Notice

Important Notice from Acadiana Management Group, LLC About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Acadiana Management Group, LLC (the “Plan Sponsor”) and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

- (1) Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- (2) The Plan Sponsor has determined that the prescription drug coverage offered by the Acadiana Management Group, LLC. Group Health Plan is, on average for all plan participants, expected to pay out as much as standard Medicare

prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Plan Sponsor coverage may be affected. Moreover, if you do decide to join a Medicare drug plan and drop your current Plan Sponsor coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact the person listed at the end of this notice for more information about what happens to your coverage if you enroll in a Medicare Part D prescription Drug Plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the Plan Sponsor and don't join a Medicare drug plan within 63

continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the Plan Sponsor changes. You also may request a copy of this notice at any time.

For More Information about Your Options under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov.
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You"

handbook for their telephone number) for personalized help
Call 1-800-MEDICARE (1-800-633-4227). TTY users should
call 1-877-486-2048.

If you have limited income and resources, extra help paying for
Medicare prescription drug coverage is available. For information
about this extra help, visit Social Security on the web at
www.socialsecurity.gov or call them at 1-800-772-1213 (TTY 1-800-

**Remember: Keep this Creditable Coverage notice. If you decide
to join one of the Medicare drug plans, you may be required to
provide a copy of this notice when you join to show whether or
not you have maintained creditable coverage and, therefore,
whether or not you are required to pay a higher premium (a
penalty).**

Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12% of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.^{1, 2}

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

¹ Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

² An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through November 30, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services **is offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.**

Marketplace-eligible individuals who live in states served by [HealthCare.gov](https://www.healthcare.gov) and either- submit a new application or update an existing application on [HealthCare.gov](https://www.healthcare.gov) between March 31, 2023 and November 30, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and November 30, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit [HealthCare.gov](https://www.healthcare.gov) or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

How Can I Get More Information?

For more information about your coverage offered through your employment, please check your health plan's summary plan description or contact **Vonda Broussard, HR Manager at 101 LaRue France, Suite 500, Lafayette, LA 70508, 337-269=9566, vbroussard@amgihm.com.**

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

All eligible full time employees

- ☐ Some employees. Eligible employees are:

- With respect to dependents:

☒ We do offer coverage. Eligible dependents are:

Spouse and Children

- ☐ We do not offer coverage.

- ☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment no later than **30 Days** after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment no later than **30 Days** after the marriage, birth, adoption, or placement for adoption.

Effective April 1, 2009, if either of the following two events occur, you will have **60 Days** after the date of the event to request enrollment in your employer's plan:

- Your dependents lose Medicaid or CHIP coverage because they are no longer eligible.
- Your dependents become eligible for a state's premium assistance program.

To take advantage of special enrollment rights, you must experience a qualifying event *and* provide the employer plan with timely notice of the event and your enrollment request. **See Human Resources.**

To request special enrollment or obtain more information, contact **Acadiana Management Group, LLC**, Human Resource Dept. at **337-269-9566**.

General COBRA Notice – General Notice of COBRA Continuation Coverage Rights

Continuation Coverage Rights Under COBRA

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage **must pay** for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
-
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Vonda Broussard. See Human Resources

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage. See Human Resources

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the

Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.
